OLALLA GUEST LODGE is situated on a peaceful, secluded, non-confining 12 acre site which overlooks Puget Sound's West Passage. Located near Gig Harbor, Washington, the facility is quickly and easily accessible from the entire Puget Sound Area.

OLALLA is unique, not only because of the spacious buildings and grounds, but also because it is *freestanding*, enabling guests to receive quality care at reasonable cost.

THE DINING AREA is located in a large, separate building that is bright and cheerful. A high protein diet is served containing all other essential nutrients.

THE LODGE provides the finest in lectures, therapies and counseling dealing with the disease of alcoholism and its resultant complications. The counseling staff and attendant personnel are skilled, dedicated and competent.

THE PROGRAM of treatment includes the following:

COUNSELING consisting of individual and small group.
GROUP PROCESS incorporating the principles of self-actualization.
DISCUSSION GROUPS for men only and for women only.
LECTURES AND DISCUSSION GROUPS —

- explaining the physiological and psychological aspects of the disease

- outlining the rationale and philosophies of Alcoholics Anonymous
- teaching proper nutrition

FAMILY PROGRAM

SELECTED films and tapes on alcoholism.

AFTERCARE SERVICES

OPEN AA meetings

The 28 day inpatient program is presented in graduated stages yet is still **open-ended** allowing for entry at any time.

The peaceful surroundings and comfortable accommodations enhance the program making the treatment process a most pleasant experience.

Most insurance and healthcare plans will pay the major portion of the treatment fee.
